

Cedar Point®

2021 PARKING AND BUS DRIVER INFORMATION

CEDAR POINT PARKING

When arriving at Cedar Point, please stay to the left and follow the signage for the Resort Drive Toll Plaza. Parking is free for full-size buses with 15 or more passengers (*not including the bus driver*). Large vans or mini buses will be assessed a parking fee. Buses will be directed by a Parking Attendant to park in the bus lot, located near the main Cedar Point entrance. At times the bus lot can fill up; in this case the buses will be directed to a section in the main lot. If the bus is merely dropping off your group and not staying in the lot all day, your bus will need to park where buses are being directed to park at that time, unload, and then leave. Encourage your group to take note of where the bus is parked so they may find the bus at the end of their visit.

BUS DRIVER ADMISSION

At Cedar Point's toll booth, the bus driver will receive a receipt ticket that can be exchanged at Guest Services for one bus driver courtesy admission ticket. The original toll booth receipt and their valid CDL are required for the courtesy ticket exchange. Only one bus driver ticket per bus is issued and is only valid on the day the bus arrives (date on the receipt).

CEDAR POINT SHORES WATERPARK PARKING

If your group is going to Cedar Point Shores Waterpark only, please stay to the left and follow the signage for the Resort Drive Toll Plaza. Buses will be directed by a Parking Attendant to park in the bus lot of Cedar Point's main parking lot. You will unload in that lot and then proceed to Cedar Point Shores Waterpark via the Cedar Point Boardwalk. Cedar Point and Cedar Point Shores Waterpark are separate admission parks. You cannot 'walk through' Cedar Point to get to Cedar Point Shores Waterpark without paying admission to Cedar Point.
