Restroom & Gate Code

There are three sets of restrooms and showers available on the Marina grounds. The first set is located in the main Marina building, directly under the Famous Dave's sign. The second set is located adjacent to the Picnic shelter near the end of the transient dock walkway. The third set is near the Marina pool and laundry room.

To gain access to a restroom or thru the Pier 11 gate, there is a keypad located adjacent to the door. The four digit access code below will open the restrooms and gate for the entire length of your stay. After entering the four digit code, press the * key and the green light will come on. You then have 10 seconds to open the door without having to re-enter the code.

Public restrooms are located on the south side of the Transient Restrooms. These restrooms are not locked, have no shower facilities and are open 24 hours a day.

- ONE electrical outlet is available per dock. Pier 11, 40 & 50 foot docks have ONE 50 amp 250 volt outlet per dock. Piers 21 thru 24 located in the South Basin have ONE 30 amp 125 volt outlet per dock. The Marina Office rents out a limited number of 50 amp adapters and are available for a nominal cost and are first come first serve.
- Quiet hours are appreciated between the hours of 11:00 pm and 8:00 am.
- State law does not permit the consumption of alcohol in the parking lot or any other public area in the Marina. Alcohol may be consumed on your boat or your dock only.
- If you have guests arriving by car, there will be a Cedar Point parking fee. Campers, trailers and recreational vehicles are not permitted in the Marina parking lot. There is parking available for these vehicles on the south side of our service facility.

For your convenience there are two dog walk areas in the Marina, and a Pet Chek boarding kennel located next to Pier 8. Pets are not permitted in any of the grassy areas of the Marina. Owners must clean up after their dogs and dispose of properly.
