

To:

Over the past 150 years, Cedar Point has brought fun, laughter and thrills to millions of guests. The memories that friends and families have created with each other will be cherished forever. Those memories will be commemorated with the introduction of our Legacy Walk.

Throughout the 2021 season, you will be able to stroll down our beautiful Main Midway and find your special memory. You are now the recipient of a commemorative Legacy Walk brick. Cedar Point is beyond excited that you'll now be a part of the park's lasting history.

**THE *Fun* IS JUST BEGINNING!**
