

Food & Beverage Policy – Student Groups

No outside food, beverages or coolers are allowed to be brought into Canada's Wonderland with the exception of plastic bottled water. Student groups are able to bring lunches to be consumed at the public picnic pavilion located just outside the front gates. However, Canada's Wonderland does not provide storage facilities for lunches. Lunches must be stored on the bus or in a chaperone vehicle. Teachers that are concerned about the cost of food are encouraged to book a discounted student meal option through our group sales department – education@canadaswonderland.com

Special Dietary Needs

Canada's Wonderland offers a wide variety of foods. If a student adheres to a specific dietary regiment, or has food allergies, that student is able to speak to a Food & Beverage Supervisor, for guidance and recommendations. We have employees designated to respond to ingredient inquiries.

Below is a list of our menu offerings that may accommodate students who follow special diets. Some menu items are prepared only when ordered, so additional wait time may be required. Please refer to the park map for locations of restaurants listed below.

Cedar Fair Entertainment Company is providing this information for informational purposes only. Neither CFEC, its subsidiaries, affiliates, suppliers, vendors and/or employees assume responsibility for sensitivity or allergy to any food product or ingredient provided by or in our parks.
