Face Coverings are required for guests two years and older in all areas unless otherwise designated.

First Aid Located near Boo Blasters on Boo Hill in Planet Snoopy™. First Aid is staffed by certified Emergency Medical Technicians at all times. Medication cannot be dispensed to minors without parental consent. If you need medical assistance, tell any park associate and they will call First Aid, who will come to your location.

Guests with Disabilities should stop by Guest Services located at the Front Gate for information regarding park and ride accessibility. A limited number of wheelchairs are available for rental on a first-come, first-served basis at the Front Gate. Accessible restrooms are available and located throughout the park.

Height Measurement Stations A guest's height is an important safety factor on many rides and attractions. Please visit one of our height stations located inside the Front Gate or in Planet Snoopy™ to determine your height. The guest will be given a color-coded wristband to eliminate additional height measuring throughout the day.

Inclement Weather Some rides and attractions may suspend operation during severe weather conditions. Operation will resume as soon as it is safe to do so. Please enjoy a show, meal or shopping until such weather passes. Kings Island cannot issue rain checks or refunds for inclement weather. In case of severe weather, area emergency warning system sirens will sound and further instructions will be given over the public address system.

Kid Track Kings Island offers a free service to quickly reunite separated children with their parents via cell phones. Guests may register for this service at the Help Center near the Front Gate or at the Family Care Center near Chick-fil-A®.

Line Jumping regardless of the reason, may lead to removal from the park without refund. Line jumping is defined as: cutting in front of other guests already waiting in line; leaving a line, then trying to re-enter the line at that same point; or saving a place for another guest.

Lockers are available for rent at the Front Gate and near the ride entrances to Banshee®, Mystic Timbers® and Orion®. Most rides cannot accommodate loose articles. On Banshee®, Mystic Timbers® and Orion®, loose articles cannot be stored on the ride platform and therefore must be left with a non-rider or in a locker prior to entering the ride queue.

Lost & Found/Claimed Items Held at the Park Entrance Kings Island is not responsible for any lost, stolen or damaged items. If you lose an item on a ride, we will search for the article as soon as possible, however an immediate search is not possible. Please visit the Lost & Found Booth located outside the Front Gate to report your lost item. If your item has not been found by the time you leave the park, please go to visitkingsisland.com/lostandfound to report & track your claim. Any item that cannot be easily, safely and thoroughly disinfected will be disposed of immediately. **FOR YOUR SAFETY, DO NOT ENTER UNAUTHORIZED AREAS FOR ANY REASON. YOU MAY BE SERIOUSLY INJURED IF YOU ENTER AN UNAUTHORIZED AREA.** Entry into an unauthorized area may result in legal prosecution and dismissal from the park without refund.

Outside Food & Beverages No outside food, beverages or coolers are permitted into Kings Island. Guests with special dietary needs should stop at Guest Services located at the Front Gate upon arrival.

Photos & Videos The taking of pictures and video while riding is strictly prohibited on most attractions at Kings Island. Guests are required to follow all signs and ride operator instructions while riding. Guests taking pictures or video while riding may be removed from the park without refund.

Parent Swap allows parents to enjoy the rides and supervise their children. After one parent/guardian has gone through the regular line and ridden the attraction, the supervising parent waiting with the children is then given immediate boarding upon providing their pass. For more information or to participate in the Parent Swap Program, please visit the Help Center near the Front Gate or the Family Care Center near Chick-fil-A®.

Service Animals Kings Island welcomes Service Animals with appropriate behavior that are controlled by a restraining device. There is a limit of one Service Animal per guest. Please visit Guest Services or refer to our Guest Assistance Guide, available online or in Guest Services, for more information. Relief areas are located near Backlot Stunt Coaster.

If you wish to leave the parking lot and re-enter, present your parking receipt to the attendant when you return. Passholders can re-enter by using their season pass card. All guests who re-enter the park must proceed through the entry procedures again, including the temperature checkpoint and metal detection. Re-entry restrictions may apply during special events.

Ride Rating System A Ride Rating System has been designed as a scale for park guests to determine which attractions to ride based on their own experience level, physical condition and abilities. Please refer to the Rider Height Requirement grid and Ride Rating legend.

Smoking of any kind, including vapor or e-cigarettes, is only permitted in the designated smoking area outside the park's main entrance. Please refer to our map for the specific location. Smoking is not permitted inside Kings Island. Thank you for your cooperation.

RIDE SAFETY REQUIREMENTS Many rides at Kings Island are dynamic and thrilling. There are inherent risks in riding an amusement ride. For your protection, each ride is rated for its special features, such as high speed, steep drops, sharp turns or other dynamic forces. If you choose to ride, you accept all of those risks. Restrictions for guests of larger size (height or weight) are posted at certain rides. Guests with disabilities should refer to our Ride Admission Policy at Guest Services. Participate responsibly. You should be in good health to ride safely. You know your physical conditions and limitations. Kings Island does not. If you suspect your health could be at risk for any reason, or you could aggravate a pre-existing condition of any kind, DO NOT RIDE!

Guests with a history of recent surgery, heart trouble/ high blood pressure, neck trouble, back trouble, or any other condition which may be aggravated by riding or who are pregnant, should carefully heed all warning signs at each ride entrance. Generally, guests must have the ability to brace themselves upright in the seat and support their head and neck during the ride movements. If you are in doubt about your ability to safely experience a ride or would like more rider information, please request our Guest Assistance Guide at Guest Services. We are happy to brief you on our Ride Admission Policy and explain how it applies to your specific situation. We hope we can help you enjoy your day more fully. Ohio state law (O.R.C. 1711.551) requires riders to obey all warnings and directions and to behave in a manner that will not cause or contribute to injuring themselves or others. Failure to comply is a misdemeanor.

RESTRAINTS All passenger restraint systems including lap bars, shoulder harnesses and seatbelts must be positioned and fastened properly and tightened securely to allow our guests to ride. Please try our test seats at the ride entrances of Banshee®, Diamondback, Delirium & Orion prior to waiting in line.

LOOSE ARTICLES Most rides cannot accommodate loose articles including cell phones, hats, cameras, purses, backpacks, umbrellas, beverage containers, electronic devices, etc. Smaller items must be safely secured in cargo pockets, a waist pack, in a bin on the ride platform (if available), with a non-rider or in a locker. **RIDE OPERATORS CANNOT BE RESPONSIBLE FOR THESE ITEMS.** Glasses must be secured on all rides. For safety reasons, hand-held items or loose articles of any kind, including cell phones, are not permitted while riding. Failure to follow these rules may result in removal from the park without refund.

HEIGHT INFORMATION Supervise children at all times. Children may be "officially" measured (and receive a wristband if qualified) at our two Height Measurement Stations located just inside the Front Gate and at the entrance of Planet Snoopy™. For the safety of your child, a standard play shoe that does not contribute excessively to the child's height is required. (Ex: a child is not permitted to wear platform shoes to help meet a height requirement) Kings Island reserves the right to ask that shoes be removed to ensure that a child's height is not being artificially enhanced or manipulated. Height, weight and age requirements are subject to change. Please refer to the signage at each entrance for current requirements.

To report a safety or security concern, please contact any park associate or text **KISAFE** with your location and a brief description of your concern to 69050.
