## 2018 Parking & Bus Driver Information

---

### VALLEYFAIR PARKING

When arriving at Valleyfair, please stay in the far right hand lane and proceed to the toll booth. Passenger vans with 15 or more passengers clearly marked with a school/organization logo and/or tax exempt plates will not be charged for parking. Parking is free for full-size buses with 15 or more passengers (not including the bus driver). Unmarked personal vehicles, large vans or mini buses will be assessed a parking fee. Buses must park in the designated bus parking area in the northern parking lot adjacent to pick-up and drop-off parking. At times, the bus lot can fill up; in this case, buses will likely be directed by parking lot associates and/or Security staff on where to park.

If buses are dropping off students, park in the designated bus parking area, unload, and then exit. At no time are buses allowed to park in or near the fire lane in front of the plaza, regardless if you are dropping off your group or simply parking. Encourage your group to take note of where the bus is parked so they may find the bus at the end of their visit.

### BUS DRIVER ADMISSION

Drivers of buses carrying 15 or more passengers will receive a courtesy pass valid on the date of event from the toll booth associate. The bus driver will need to bring the courtesy pass to Guest Services and present his or her valid CDL to redeem the courtesy pass for an admission ticket. Only one bus driver courtesy pass is issued per bus and is only valid on the day the bus arrives (date on receipt).

### SECURITY CHECKPOINT

During your visit all guests will go through a Security checkpoint. At this checkpoint, metal detection and bag checks will take place. Please leave all unnecessary items in your vehicle. If you have a large group, please plan extra time for the security checkpoint.

**NOTE:** Consider the necessity of book bags for your group. Securing book bags in your vehicle will expedite your group's arrival process. If your guests have bags, ensure they are open prior to metal detection.

*Prices, hours, dates, schedules and policies are subject to change without notice.
